A - My interest has changed during this time / I discovered that I have different attitudes	8	47,1%	4	40,0%	12	44,4%	57,1%

F- Other reasons:

Ho sempre voluto studiare all'estero.
I have discovered while at Bocconi that I'd rather get more technical knowledge (CS and ML) at university, most of Management courses were pointless generalizations. But Bocconi even with BAI does not have the background to support that type of research.
I would have liked to make an experience abroad
Il sistema di accesso alle magistrali (con media) penalizza chi ha scelto un corso complesso come BEMACS. In BEMACS e' difficile mantenere una media superiore a 27. in CLEAM e' difficile avere una media sotto 28.
My parents forced me to go to Bocconi when I had no interest in going there. I wanted to study physics in London.
Pensavo che questo corso (BEMACS) desse una preparazione sufficiente per poter continuare sia un percorso informatico che economico. Ho fatto diverse domande in corsi magistrali di informatica ma hanno tutti ritenuto insufficiente la mia formazione.

					a.v.	%	%
A - I would like to attend a more prestigious university	3	11,1%	6	26,1%	9	18,0%	14,5%

E - The administrative services are not sufficiently efficient	0	0,0%	1	4,3%	1	2,0%	3,2%
F - I think that the contents of Bocconi's MSc programs do not differ much from those of undergraduate programs	3	11,1%	3	13,0%	6	12,0%	17,7%
G - Other reasons	6	22,2%	3	13,0%	9	18,0%	9,7%
Total	27	100%	23	100%	50	100%	100%
NA	0		0		0		

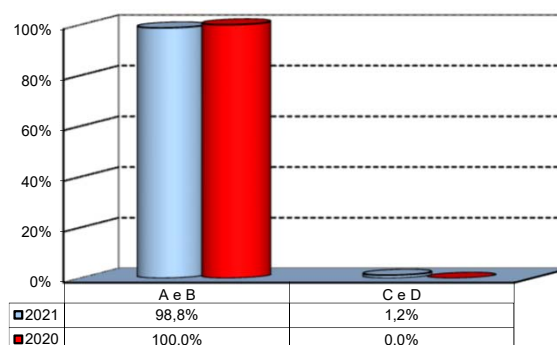

G - Other reasons:

I want to study physics which I cannot do at Bocconi. I also don't want to live in Italy anymore
I was looking for a MSc programme closely related to the job I started in my last year at Bocconi, i.e. system engineering, which Bocconi does not offer
L'indirizzo che ho scelto (Behavioural Economics) non e' presente (almeno non in maniera specifica) tra quelli proposti in Bocconi.
Non voglio continuare il mio percorso in materie economiche.
Per il corso che voglio fare e dall'esperienza avuta in triennale non sono sicuro che proseguire in una business scuola sia la scelta giusta
Per provare una nuova esperienza in un ambiente diverso
Personally, I think that the system that is in place at Bocconi when it comes to Master applications for Bocconi Masters is not sufficient. To just look at GPA is not good enough in evaluating who should get into the different programs. The process should also take into account prior experience, skills needed for the Master's (especially computer science skills), the applicant's CV and most importantly his or her motivation. The way that the Career Session is structured now is also not good. Since only your GPA is taken into account, there is no need for the session to be open for almost two months, and then for results to come out after even another month. That way, Bocconi results come out way too late, also since most Master programs require the payment of a first fee or an acceptance way before the Bocconi results come out. Overall, I feel that Bocconi should make a bigger effort in retaining the people that do their undergraduate at Bocconi for their Master's.
Purtroppo con l'avvento della pandemia mi e' stata negata la possibilita' di svolgere lo scambio all'estero, a mio parere molto importante per quanto riguarda la crescita personale. In piu' non ho soddisfatto i requisiti per la candidatura anticipata in magistrale, e non avevo la certezza di entrare durante la sessione carriera (che per altro rilascia i risultati troppo tardi a mio avviso). Questi due motivi principalmente mi hanno spinto a cercare una laurea magistrale all'estero.
