Candidates in the waiting list are offered a place if and when higher ranked candidates have declined the offer and on condition that there are still available places.

Enrollment deadlines are as follows:

top ranking candidates “with confirmed fellowship”	by March 28, 2025
replacement candidates “with fellowship”	By March 28, 2025 if notification within March 22 Within 7 days, if notification after March 22

candidates and replacement candidates “with payment of tuition fees”	After completing the enrollment of candidates “with fellowship” and within 2 weeks from final notification - July 4 th as a maximum
---	---

Candidates that decide to forfeit are kindly asked to access the online procedure (button: RESULT) as soon as possible and ask to be removed from the ranking in order to allow replacements.

Please note that:

§ **Top ranking candidates admitted with fellowship** receive just one notification (admission result + deadline for enrollment).

They must enroll by 28th March 2025.

If they do not enroll by that date, they will automatically be considered to have declined the offer.

Candidates admitted with fellowship who intend to decline the offer should decline it well before the 28th March 2025 to allow replacement applicants to receive their offer as soon as possible.

§ **all the other candidates eligible for enrollment** receive at least two notifications: in the first one, they are notified about admission results; in the second one, they are notified about their final status (with fellowship or with payment of tuition fees) and deadline for enrollment. In between, they are notified about change(s) of status (if any).

Candidates who intend to decline the offer should decline as soon as possible to allow replacement applicants to receive their offer.

If students enrolled with Bocconi fellowship withdraw, a further round of replacements will take place after the end of enrollments but before the PhD program begins, for the benefit of students enrolled with payment of tuition fees.

Replacement of candidates is not allowed after the beginning of the first year of the program (1st September 2025).

Enrollment takes place online (ENROLLMENT Section), using the ID and password provided at registration.

The following documents must be uploaded:

- 1) enrollment form, filled out and signed (the form can be downloaded from the online procedure);
- 2) only for enrolled students who had been admitted with payment of tuition fees: copy of receipt of first installment payment (€3,000).

Bank transfer is to be made to Banca Popolare di Sondrio, Ag. 11, Via Bocconi 8, Milano - IBAN: IT55 E056 9601 6100 0000 2000 X88 - BIC/SWIFT POSOIT22.

It is to be made out to “Università Bocconi, 1^a rata - Dottorato Economics and Finance 41° ciclo (C.d.C. 104947)”, specifying applicant’s name and surname.

Bocconi University will not refund the tuition fees paid by students who enrolled and then withdrew; tuition fees will be refunded only to enrolled students who replace a withdrawn student who had been awarded a fellowship.

Tuition fees for paying students amount to €15,000 for year 1 and 2 and €5,000 for year 3 and 4.

Certification attesting awarding of the degree (name of degree program, level, University, graduation date, final grade - if any) is required to definitively finalize enrollment.

Certification can be:

- uploaded when enrolling via online procedure
- delivered to PhD School Office (by 10th December 2025).

In particular:

- + Italian degrees: certification issued by the awarding Italian University or self-certification;
- + non-Italian degrees:
