Candidates that decide to forfeit are kindly asked to access the online procedure (button: RESULT) as soon as possible and ask to be removed from the ranking in order to allow replacements.

Please note that:

§ **Top ranking candidates** admitted with fellowship receive just one notification (admission result + deadline for enrollment).

They must enroll by 29<sup>th</sup> March 2024.

If they do not enroll by that date, they will automatically be considered to have declined the offer. Candidates admitted with fellowship who intend to decline the offer should decline it well before the 29<sup>th</sup> March 2024 to allow replacement applicants to receive their offer as soon as possible.

§ **all the other candidates eligible for enrollment** receive at least two notifications: in the first one, they are notified about admission results; in the last one, they are notified about their final status (with fellowship or with tuition waiver) and deadline for enrollment. In between, they are notified about change(s) of status (if any).

Candidates who intend to decline the offer should decline it as soon as possible to allow replacement applicants to receive their offer.

If students enrolled with fellowship withdraw, a further round of replacements will take place after the end of enrollments but before the PhD program begins, for the benefit of students enrolled with tuition waiver.

Replacement of candidates is not allowed after the beginning of the first year of the program (1<sup>st</sup> September 2024).

Enrollment takes place online (ENROLLMENT Section), using the ID and password provided at registration.

It is required to upload the enrollment form, filled out and signed (the form can be downloaded from the online procedure).

Certification attesting awarding of the degree (name of degree program, level, University, graduation date, final grade - if any) is required to definitively finalize enrollment.

Certification can be:

- uploaded when enrolling via online procedure
- delivered to PhD Administrative Center (PhD-AC) (by 10<sup>th</sup> December 2024).

In particular:

- + Italian degrees: certification issued by the awarding Italian University or self-certification;
- + non-Italian degrees:
  - UE countries and UK: certification in English issued by the awarding University;
  - non-EU countries: 1) certification in English issued by the awarding University; 2) diploma supplement or CIMEA certificate of comparability or other certification of value issued by ENIC\_NARIC centres or “dichiarazione di valore”<sup>1</sup> issued by the Italian Embassy or Consulate of the country where the degree was awarded.

Please note that Consulates are competent to give full assistance on this matter.
