Summary: We interviewed four applicants and invited them for a flyout.

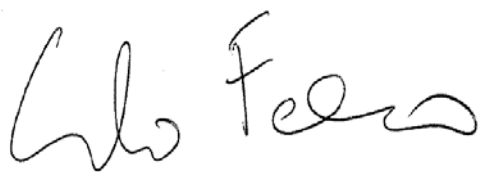

The Committee applied the following criteria in the selection process: 1) outstanding research record in finance; 2) good teaching (especially in the areas relevant to the Department) and service performance 3) quality of job market seminar, and 4) overall fit with the department.

The following applications were considered valid:

OMISSIS

The department selected OMISSI on the basis of the above mentioned criteria. These candidates were then invited for a campus visit. OMISSIS impressed most positively the department, which therefore asked the Dean of the Faculty to approach the two candidates. Both candidates, however, declined the possibility of joining the department. We therefore request to close this call with no positions filled.
