Classroom activities & skills

The aim of the course is to provide a solid preparation in order to tackle and successfully pass the two hour and forty-five minute exam.

- **Listening Module:** provides recorded materials, to confront the four listening exercises that are given in Academic IETLS including monologues, dialogues, presentation and lectures
- **Academic Reading Module:** presents a range of reading material, gathered from magazines, online sources, journal and such like. These materials are used with the objective of developing the skills to successfully complete the reading tasks presented in IELTS
- **Academic Writing Module:** provides the approach to tackle the writing exercises in the Test
First Task: a written presentation describing a process or information contained in a graph, diagram or table.
Second Task: developing a short essay concerning current topics or issues in which the candidate presents and argues their viewpoint
- **Speaking Module:** aims at developing the skills and strategies in order to confront with easy the speaking part of the IELTS

In order to prepare students in each of the four linguistic skills, the IELTS Academic preparation course is divided into four modules

- Listening
- Speaking
- Reading
- Writing

Complete IELTS test listening reading writing			

Concluding information

The preparation course is aimed towards the relevant external certification, which takes place at authorized exam centers.

Further information concerning centers, dates, fees and registration procedures can be found at www.ielts.org

Please note that to achieve the best results student should take the exam as soon as possible after the end of the course.

The certification can be converted as an alternative to an internal Bocconi exam if the student has not already recorded it.
