

Bocconi University
Department of Management and Technology
Professor of Strategy

The Department of Management and Technology at Bocconi University, Milan (Italy), is seeking to fill one position at the Full Professor level in the field of Strategy.

The ideal candidate should be an established scholar with an outstanding publication record (only applicants who have published in top international journals will be considered) and strong presence in the editorial boards of prestigious journals. Excellence in teaching at different levels (Graduate, MBA, PhD) is also required. Experience in executive education is a preferential requisite.

Bocconi is a leading European University and the Department of Management and Technology is in a sustained period of growth and internationalization, with 20 faculty members hired in the last five years. Salaries, research accounts and teaching loads are competitive with leading academic institutions in Europe.

Statements of interest and CVs should be submitted via the on-line e-form which can be found at <http://www.unibocconi.eu/recruitingseior>.

Applications will be considered until **September 30th, 2016** and the selection process will go on until suitable candidates are found. Only selected candidates will be contacted for further steps.

Informal enquiries about this position may be made to the Chair of the Recruiting Committee, Professor Andrea Fosfuri.
