Curriculum Vitae – Fall 2024

Family name: Lazzarini
Given name: Riccardo
Gender: male
Date of birth: 06/05/1999
Citizenship: Italian
email address: (riccardo.lazzarini@phd.unibocconi.it)

Qualifications

2024-Current: Bocconi University (Italy), PhD in Statistics and Computer Science

2022-2024: Politecnico di Milano (Italy), M.Sc. in Mathematical Engineering
- *Major: Modeling and Data Analysis*
- *Grade: 110/110 "Cum Laude"*
- *Research Thesis on "Bayesian Nonparametric Privacy-Preserving Synthetic Data Generation"*

2019-2022: Politecnico di Milano (Italy), B.Sc. in Mathematical Engineering
- *Grade: 110/110 "Cum Laude"*

Awards and Scholarships

PhD fellowship, Bocconi University (2024-Current)

Research Interests

Bayesian Nonparametric, Asymptotic Statistics, Applied Probability

Studies abroad

February 2023 - June 2023: Erasmus at Universitat Politècnica de Catalunya

Work Experience

January 2024 - March 2024: Research Internship at Laval University
- *Implementation in C++ and extensions of an existing library dealing with Functional Data Analysis*

Language Skills

Italian – Mother tongue
English – C1

IT Skills

- *Programming languages: C++ (Excellent), Latex, Python (good), Julia (good)*
- *Software: R (Excellent), MATLAB (good)*
