

Curriculum Vitae – Fall 2022

Family name: Maugeri
Given name: Gabriele
Gender: male
Date of birth: 26/05/1998
Citizenship: Italian
email address: gabriele.maugeri@phd.unibocconi.it

Qualifications

- *Master of Science in Economics*
 - Graduate level, 2 years.
 - Course title: *Finance and Economic Processes*.
 - Years of attendance: 2.
 - Main field of study: *economics and finance*,
 - Roma Tre University, Italy.
- *Bachelor of Economics*
 - Undergraduate level, 3 years.
 - Course title: *Economics and Finance*.
 - Years of attendance: 3.
 - Main field of study: *economics and finance*,
 - Roma Tre University, Italy.

Awards and Scholarships

Bocconi Fellowship 2022/23, PhD program in Economics.
Erasmus+ program Scholarship 2020/21.

Research Interests

Theoretical and Applied Macroeconomics; Business Cycle Analysis and Monetary Policy.

Working papers

“Economic Effects of Covid-19 and Non-Pharmaceutical Interventions: applying a SEIRD-RBC Model to Italy”, joint with Francesco Giuli (2022).

ABSTRACT:

We study the economic effects generated by the proliferation of the Covid-19 epidemic and the implementation of non-pharmaceutical interventions by developing a SEIRD-RBC model, where the outbreak and policy interventions shape the labor input dynamic. We microfound an Epidemic-Macro model grounded on the RBC tradition, useful for epidemic and economic analysis at business cycle frequency, which is able to reproduce the highly debated health-output trade-off. Assuming a positive approach, we show the potential of our model by matching the epidemic and macroeconomic empirical evidence of the Italian case.

Studies abroad

Erasmus+ Program: Humboldt University, Berlin (six months).

Work Experience

November 2021 – July 2022: Research Assistant, Economic Department of Roma Tre University.
February 2020 – September 2020: Academic Tutor, module of Financial Analysis, Economic Department of Roma Tre University.
September 2016 – December 2019: Private Student Tutor.

Language Skills

- *English, IELTS Certification – 7.5 Band Score (C1).*
- *German, A1.*

IT Skills

- *Word, Excel, Power Point (excellent).*
- *MATLAB and Dynare (excellent)*
- *Latex (excellent)*
