

## What to do if you do not feel well

If you are in a Bocconi residence and you feel sick of any Covid-19 symptom (fever, sore throat, fatigue, loss of taste and smell), please proceed as listed below:

1. CONTACT THE RESIDENCE MANAGEMENT.
2. Call your doctor, who will indicate to you if necessary to stay in isolation and, based on the symptoms that might appear, will tell you whether to perform a swab for SARS-CoV2.
3. If you do not have a doctor, you can call a **Medico di Continuità Assistenziale** (former "Guardia Medica") to the phone number: **116117**, available: from **8.00** am to **8.00** pm during weekdays and on Saturdays and Sundays and from **8.00** pm to **8.00** am every night. As an alternative, during the day, everyday, you can call the contact center of **ATS Milan** by calling the number **+39 02 85781**, or the Department of Infectious Diseases by calling the numbers **+39 02 85783848 - 02 85784090** from Monday to Friday during business hours.
4. Should the symptoms be severe and should you need immediate assistance, you may request external rescue by calling the emergency number: **112**

Or you can request the intervention of **Croce Bianca Milan** during the days and hours in which the service is available (Monday to Friday from 9.30 am to 5.30 pm), by calling the number: **342 0106355** or **02 58363015**

In these cases please always coordinate with the RESIDENCE MANAGEMENT, that may request the assistance you need by calling the numbers provided above.

5. IF YOU MUST STAY IN ISOLATION:
  - The residence manager will communicate your conditions to your roommates;
  - The residence manager will verify that your room is eligible for isolation: in case the room should not be eligible and until availability, he will offer you an alternative place to your roommates or also to you if necessary;
  - will apply the sanitization protocol in your room, your apartment and your residence;
  - will support you in every practical need (grocery shopping, laundry, etc.) that you might have during your period of isolation.
