INTRODUCTION

These ISU Bocconi Scholarship Application Requirements and Regulations are provisional and subject to integrations and/or modifications following the publication of the Resolution of the Regional Council of the Lombardy Region (“D.G.R. 2024”) and any possible ministerial updates related to the Right to University Education.

The D.G.R. 2024, which will be published presumably in June 2024, annually defines criteria and funding estimates for the assignment of benefits for the Right to University Education and defines the amount of the scholarships and the upper limits of the ISEE/ISEEU indicator (Equivalent Economic Situation Indicator) and the ISPE/ISPEU indicator (Indicator of the Economic and Financial Situation) to access the 2024-2025 Right to University Education benefits

The regional provisions and any ministerial updates will be set out in the final ISU Bocconi Scholarship Application Requirements and Regulations 2024-2025, which will be published after the D.G.R. 2024 and therefore presumably in July 2024, as this provisional ISU Bocconi Scholarship Application Requirements and Regulation on the dedicated page of the Bocconi website (www.unibocconi.eu/isu).

If, as a result the D.G.R. 2024, the upper limits of the ISEE/ISEEU parificato and ISPE/ISPEU parificato indicators for the a.y. 2024-2025 will be increased with respect to those defined for the a.y. 2023-2024 (Chapter II, art. 7) the final ISU Bocconi Scholarship Application Requirements and Regulations 2024-2025 will foresee a reopening of the ISU Bocconi Scholarship Application a.y. 2024-25 deadlines (**June 26 - September 2, 2024**) for ONLY those students who did not submitted the application by June 25, 2024 (Chapter II, art. 9) and who, by virtue of any potential increase, may fall within the new upper limits of ISEE/ISEEU parificato and ISPE/ISPEU parificato indicators that may be updated in the final ISU Bocconi Scholarship Application Requirements and Regulations 2024-2025.

It is specified that the application for the ISU Bocconi Scholarship a.y. 2024-2025 submitted in the first time window (January 15 - June 25, 2024) and in the possible second time window (June 26 - September 2, 2024) will in any case remain the same, resulting in the rankings (First Year and PhD and Years Following the First) as detailed in the final ISU Bocconi Scholarship Application Requirements and Regulations itself.

ART. 5 - NUMBER OF SCHOLARSHIPS

The total number of scholarships made available through application to students regularly enrolled in a Bocconi University Bachelor of Science, Integrated Master of Arts in Law (five years), Master of Science or PhD program is determined based on the funds allocated by the Lombardy Region.

The number of scholarships available for academic year 2024-2025 will be specified in the final Application Requirements and Regulations which will be published, as this provisional one, on the dedicated page of the Bocconi website (www.unibocconi.eu/isu).

The number of scholarships made available for the a.y. 2023-2024 has been as follows:

Recipients	Number of ISU Bocconi Scholarships available
Students in their 1st year of a Bachelor of Science, Integrated Master of Arts in Law or Master of Science program a.y. 2023-2024	138 Scholarships

PhD programs a.y. 2023-2024	4 Scholarships

The number of scholarships made available through application may be increased based on additional funds and allocations which may be added afterwards by the Lombardy Region, the Ministry of Universities and Research, and any residual funds from the previous year. If additional funds are made available for the current year, further assignments of ISU Bocconi Scholarships will be made, and allocated on the basis of two rankings as set out in Article 10 of these Requirements and Regulations. If funds are available, ISU Bocconi will provide information to applicants via email and/or

online and approximately by December 2025.

ART. 6 – MERIT REQUIREMENTS

Art. 6.1 Bachelor of Science, Master of Science and Integrated Master of Arts students

In order to evaluate merit for the ranking, exams taken and recorded in the academic career by August 10, 2024 and registered at the Punto Blu will be taken into consideration.

Students should therefore:

- personally verify that all exams taken have been registered at the Punto Blu;
- inform the Academic Services using **B in Touch**, if there are anomalies in the recording of exams completed.

Please note!

In the event of course changes, it should be noted that, for the purposes of calculating the merit, only credits for the Bachelor of Science, Master of Science and Integrated Master of Arts attended at the time of the request of the benefit will be considered valid.

In order to reach the minimum merit requirements needed to enter the ranking for the a.y. 2024-2025, in addition to the credits already earned, **all students, except first-year students**, may use a **"bonus"**, according to the table below.

If students have never used a bonus previously, they can request bonus credits as indicated in the table below. Once students use bonus credits they no longer have the right to accrue other bonus credits, but they still have the possibility to use any residual credits in future years.

Students enrolled in Master of Science programs can use any residual bonus credits not used during their Bachelor of Science program. If they never used bonus credits during their Bachelor of Science program, they have the right to 15 credits.

Please note that the number of credits needed to access the ranking will be calculated based on the credits required for each past academic year, starting with the absolute first-year of enrollment⁴. This rule is also applied to anyone who has interrupted the normal progression of the attended years of the program (e.g. students who repeat or have repeated a year of the program, also after a withdrawal from studies or transferring from another university or changing type of degree program or faculty and other interruptions), except for cases of "temporary interruption" pursuant to article 8 clause 5 of the Decree of the President of the Council of Ministers 9 April 2001.

For students enrolled in the 1st year of a Bachelor of Science, Master of Science or Integrated Master of Arts in Law program, any cash stipend will be **provisionally** granted based on the economic requirements set out in these Application Requirements and Regulations, and will be fully or partially confirmed only if academic merit is achieved. Academic merit is evaluated ex post at August 10, 2025.

⁴ The absolute first year of enrollment shall be understood as any academic year of first enrollment in any kind of degree program (even if different from the one attended in a.y. 2024-2025) which required the same education qualification as the one needed to access the attended program in a.y. 2024-2025, in any University in Italy or abroad, even if the program has not been completed.

Year of program	Credits required at August 10, 2024	Maximum usable bonus (if not used in previous years)
Bachelor of Science program (BSc) Integrated Master of Arts in Law program

1st year "fuori corso" (BSc)	150	15 credits if not already used
1st year "fuori corso" (IMAL)	274	15 credits if not already used

1st year "fuori corso"	94	15 credits if not already used

Art. 6.2 – Revocation of 1st Year Students in the a.y. 2024-2025 due to Insufficient Academic Merit (evaluated ex post)

For students who are eligible recipients and non-recipients, enrolled in the first year of the a.y. 2024-2025 who do not obtain the required minimum amount of credits **by August 10, 2025**, the cash stipend, the ISU Bocconi integrations and the services used for the 2024-2025 will be revoked. The revoked eligible student, whether recipient or not, must:

- return the first installment of the cash scholarship received. The revoked eligible student will also not receive the second installment of the cash scholarship, if eligible recipient;
- return the amount received for free meals;
- return any integration for international mobility and/or internships received.

Return of the amounts listed above cannot in any way be questioned or postponed, as the revocations are in fact verified by the Lombardy Region, the institution providing the ISU Scholarship for the Right to University Education.

An exception is made for a revoked student who will be able to achieve the number of credits defined in the table above **by November 30, 2025**. In this case the student will not receive the amount of the 2nd installment of the cash scholarship and will not be required to return the amounts received, if eligible recipients.

The revoked student will have to pay the academic tuition fees of the academic year 2024-2025, based on the applicable tuition and fees for the a.y. 2024-2025, regularizing his financial situation with the Fees, Funding and Housing Office.

An exception is made for the revoked student who will be able to achieve the number of credits defined in the table above **by November 30, 2025**, who will not have to pay academic tuition and fees for a.y. 2024-2025

For other grounds for revocation for all students regardless of their program year, see Article 15 of this ISU Bocconi Application Requirements and Regulations.

Art. 6.3 - PhD programs

Students in PhD programs may request the ISU Bocconi scholarship assistance on the condition that they are not recipients of scholarships pursuant to Italian DM 224/1999 or Post Docs pursuant to Italian Law 27.12.1997, n. 449.

Students must also meet the merit requirements listed below:

Program year in the a.y. 2024-2025	Merit requirement
1st year	Must be declared winners for the a.y. 2024-2025 of the admissions competition for one of the PhD programs offered by Bocconi
2nd year	Must be regularly admitted for the a.y. 2024-2025 in the second year of the program
3rd year	Must be regularly admitted for the a.y. 2024-2025 in the third year of the program
4th year	Must be regularly admitted for the a.y. 2024-2025 in the fourth year of the program

ART. 7 - ECONOMIC REQUIREMENTS

The economic status of students will be identified based on the **ISEE issued in 2024** for **benefits for the right to university study** and the **ISPE**.

The ISEE must be issued in reference to the student's fiscal code and may not contain "omissions/discrepancies/inconsistencies".

The ISPE must be calculated by the University based on data provided by INPS, dividing the ISP value by the scale of equivalency.

In order to apply for a benefit of the Right to University Education students whose family household resides and has sources of income **in Italy** will need to obtain an "Attestazione ISEE per prestazioni agevolate per il diritto allo studio universitario" issued in 2024 whose "ISEE" and "ISPE" values fall within the limits provided. Otherwise, the application cannot be accepted.

Students whose family household resides and has sources of income **outside of Italy** must obtain the **ISEEU Parificato Certificate** issued in 2024, whose "ISEEU" and "ISPEU" values fall within the limits provided. This document can only be issued by the CAF partnered with Bocconi University (see the related webpage www.unibocconi.eu/isu).

It is specified that the **ISPE/ISPEU parificato** value is calculated by the University by dividing the ISP/ISPU parificato value by the equivalence scale.

The ISEE/ISEEU parificato and ISPE/ISPEU parificato upper limits are defined annually by the Lombardy Region with its own resolution.

For a.y. 2023-2024, the approved limits have been the following:

- **ISEE/ISEEU parificato no higher than € 24.335,11**
- **ISPE/ISPEU parificato no higher than € 52.902,43**

For all applicants, **citizens of non-EU Countries, not resident in Italy** or non-autonomous residing in Italy and whose family unit is resident abroad, please note that, pursuant to Italian D.G.R.2023, of Italian D.lgs 286/98, of Italian D.P.R. n. 394 of 31 August 1999, declarations that attest an annual **income** for fiscal year 2022 **less than € 6.085,43 will not be considered valid** for the purposes of ISU Bocconi eligibility, as it is incompatible with immigration regulations.

The evaluation of the student's economic conditions is based on parameters from the University ISEE/ISEEU parificato Certificate applicable to assisted services for the Right to University Study and other elements derived from the documentation submitted to ISU Bocconi for the a.y. 2024-2025 or gathered during other checks completed by the Office, both during the period following publication of the provisional ranking during the year, and after publication of the final ranking. Further documentation that better certifies the actual economic conditions of the applicant may be requested, in accordance with the provisions of Attachment D of this Application Requirements and Regulations.

The family household is defined pursuant to Italian Decree by the President of the Council of Ministers n. 159 on 5 December 2013.

After ISU Bocconi Scholarship eligibility has been verified according to these criteria, an ISU Bocconi bracket will be assigned to eligible students based exclusively on the ISEE/ISEEU parameters applicable for the subsidized benefits for the right to university study, if compliant.

ART. 8 - INDEPENDENT STUDENTS

In order to adequately consider the subjects who bear the burden of maintaining the student, students shall be considered independent only if both of the following requirements are met:

- Residence, as proven by registry data, outside the housing unit of the family of origin for at least two years before the date of the ISEEU parificato certificate, in accommodation not owned or in usufruct by one of its members; therefore, the student use of an accommodation upon payment must be documented;
- Income from employment or similar work, declared for tax purposes for the at least the past two years, not less than € 9,000* annually. The work may not be performed under the employment of a family member.

*Income referred to a.y. 2023-2024. The amount of income for a.y. 2024-2025 will be available after the Resolution of the Regional Council of the Lombardy Region, and will be specified in the final Application Requirements and Regulations which will be published, like this provisional Application Requirements and Regulations, on the dedicated page of the Bocconi website (www.unibocconi.eu/isu).

If **both** the above conditions are not met – and duly documented as subsequently indicated in Attachment B paragraphs B.1 and B.2 – the student is part of the parents' family household, and therefore the economic and asset condition of the family of origin will be considered when determining ISU Bocconi eligibility and the ISU Bocconi bracket.

It is specified that the independent student is considered “non resident” only if he/she uses an accommodation upon payment that must be documented (as defined in Attachment B paragraph B.3) in the Municipality where the attended course of study takes place.

ART. 9 – DEADLINES AND PROCEDURES NEEDED FOR SUBMITTING APPLICATIONS

In order to participate in the application students have to follow the online procedure available in the Bocconi webpages dedicated to the ISU Bocconi Scholarship Application (www.unibocconi.eu/isu).

The procedure consists of:

- A. Submission of the Application form signed by the student;**
- B. Submission of the printed and signed required documentation** (Attachment B of this Application Requirements and Regulations)

Failure to enter online data as stated in these Regulations and published on the dedicated Bocconi pages of the website and/or failure to submit the signed application and/or failure to submit one or more documents will result in the disqualification of the interested party from application.

Deadlines for submitting the application

The deadlines for submitting applications for the ISU Bocconi scholarship for academic year 2024-2025 are different for students enrolled in the first year of a Bachelor of Science or Integrated Master of Arts in Law, or for students enrolled in a.y. 2024-2025 in the first year of another university course (Master of Science and PhD programs) and students enrolled in a year subsequent to the first of any course (Bachelor, Combined Bachelor and Master of Science) in the first year to another university course (bachelor and PhD) and students enrolled in the years after the first year to any course (Bachelor of Science, Integrated Master of Arts in Law, Master of Science and PhD programs), and are detailed in the tables below:

Deadlines for submitting the application		
First-year students of Bachelor of Science and Integrated Master of Arts in Law application submission deadline coinciding with the different enrollment sessions	Early session	January 15 – February 5, 2024
	Winter session	March 18 – April 8, 2024
	Spring session	May 15 – June 25, 2024
First-year students of Master of Science and PhD programs	May 15 – June 25, 2024	
Students of years after the first (Bachelor of Science, Integrated Master of Arts in Law, Master of Science and PhD programs)	May 15 – June 25, 2024	

With regard to the procedure for submitting the application, it is necessary to refer to the provisions published on the dedicated Bocconi webpage (www.unibocconi.eu/isu), which constitutes integral part of this Application Requirements and Regulations.

ART. 10 - PROCEDURES FOR ESTABLISHING RANKINGS

The rankings will be determined as follows, for each year of each level of studies:

A. Students enrolled in the first year of all degree programs (Bachelor of Science, Integrated Master of Arts in Law, Master of Science) **and students enrolled in a PhD program:**

The ranking is determined in increasing order by the ISEE/ISEEU indicator applicable to assisted services for the Right to University Study of the family household up to the limit of ISEE 2024 for a maximum of 1,000 points given following this formula:

$$[1 - (\text{Student ISEE} / \text{ISEE LIMIT})] \times 1,000$$

The ranking is determined by the score awarded in decreasing order. Where parity occurs, the student who is enrolled in a higher degree program takes priority, where further parity occurs the younger age takes priority.

B. Students enrolled in years after the first, in all degree programs (Bachelor of Science, Integrated Master of Arts in Law, Master of Science):

The order of the ranking is determined in decreasing order from the overall score achieved, adding the score relating to the number of educational credits acquired by August 10, 2024, and the score determined by the weighted grade point average. The highest possible number of points is 1,000 distributed as follows:

- 600 based on the number of educational credits achieved by August 10, 2024 and calculated using the following formula:

$$[(\text{student credits} - \text{minimum credits}^*) / (\text{maximum credits}^{**} - \text{minimum credits}^*)] \times 600$$

* amount of credits established by this Application Requirements and Regulations as a minimum merit requirement

** maximum number of credits foreseen for the relevant course year

- and 400 based on the weighted grade point average of exams passed by August 10, 2024 and calculated using the following formula:

$$[(\text{Student's GPA} - 18) / (\text{maximum grade} - 18)] \times 400$$

Students using their bonus credits will be placed at the end of the ranking.

Students with disability pursuant to Italian Law n.104/1992 or with civil disability equal or greater than 66% who are in the eligibility ranking, have the right to be awarded a scholarship even if that means that the number of scholarships available will be exceeded.

ART. 11 - PUBLICATION OF PROVISIONAL RANKINGS AND APPLYING FOR REVISION

Provisional rankings results can be consulted online by **mid-October 2024** for a period of at least 15 days.

Applications submitted within the deadlines set out in these Application Requirements and Regulations will be verified by ISU Bocconi, who will insert into the ranking students meeting the requirements.

In the PROVISIONAL RANKINGS students may therefore be either:

- **ELIGIBLE:** if meeting all requirements, or
- **NON-ELIGIBLE:** if one or more requirements set out in these Regulations are missing.

Any appeals for revision due to mistakes of the applicant must be submitted to ISU Bocconi by and no later than 23.59 of the 15th day after the publication of the same ranking.

Those wishing to submit an appeal for revision may **only** submit it online and provide ISU Bocconi with the documentation needed to justify the reasons for an appeal.

The results of appeals for revision will be published online at the same time the final rankings are published, approximately within the end of October 2023.

ART. 12 - FINAL RESULTS AND PLACEMENT OF STUDENTS IN RANKINGS

The cash stipends will be assigned to eligible students based on their placement in the ranking, starting from the highest positions until all available resources have been used.

Scholarships will be awarded in accordance with the number set by these Regulations. Should there be a lack of recipients in some rankings, remaining scholarships will be awarded to students in other rankings until the number of scholarships established by the Regulations are all awarded.

In the FINAL RANKING, students may therefore be:

- **ELIGIBLE NON-RECIPIENTS:** meeting all requirements, but not recipient of the amount of money of the cash stipend due to lack of funds. In this case, eligible non-recipient students in the rankings may receive the cash stipend later, if further financial resources are made available;
- **NON-ELIGIBLE:** if one or more requirements set out in the Application Requirements and Regulations is not met.

In addition, the final ranking will communicate the ISU Bocconi bracket assigned to the student. The ISU Bocconi bracket will define:

- the amount of the cash stipend for eligible recipient students;
- the cost of meals at a preferential rate;
- the final amount of housing fees for students assignee of a room in the Bocconi Residence Halls at a preferential rate.

ART. 13 - AMOUNT OF SCHOLARSHIPS

The amount of the scholarships is based on both the ISU Bocconi brackets, corresponding to the family household's ISEE/ISEEU applicable to assisted services for the Right to University Study, and the place of origin of the student, which will determine if the student is a resident student, a commuting student or a non-resident student.

The amount of scholarships available is defined annually by the Lombardy Region with its own resolution which, at the date of publication of this Application Requirements and Regulations, has not yet been issued. The amount of scholarship available for academic year 2024-2025 will be specified in the final Application Requirements and Regulations which will be published, like this provisional Application Requirements and Regulations, on the dedicated page of the Bocconi website (www.unibocconi.eu/isu).

For the a.y. 2023-2024 the scholarship amounts, which **included the free meal amount for € 770,00** defined for the a.y. 2023-2024 from the Lombardy Region and the reimbursement regional tax for the Right to University Study, are have been as follows:

Student recipients and non-recipients of scholarships who do not use or use only partially the canteen service are **not** entitled to any reimbursement for unused meals.

In absence of this condition, potentially “non-resident” students will be considered “commuting”. Students may request to be considered “non-resident” through the online procedure, however this status will be only applied after submission of proper documentation by the deadlines indicated in these Application Requirements and Regulations (Attachment B.3). **For information on how to certify the status of “non-resident”, please see the information published on the dedicated pages of the website (www.unibocconi.eu/isu) and which make up an integral part of these Application Requirements and Regulations.**

Exceptions will be made for:

- Scholarships granted by Italian or international institutions aimed at integrating with experiences abroad the study/research activity of candidates;
- Awards given by Universities to outstanding students enrolled in specific excellence programs.

The right to eligibility for ISU Bocconi Scholarship will automatically be forfeited if:

Return of the amounts listed above cannot in any way be questioned or postponed, as the revocations are in fact verified by the Lombardy Region, the institution providing the ISU Scholarship for the Right to University Education.

The additional penalties detailed in Attachment D of this Application Requirements and Regulations also apply to these students.

As a consequence of the revocation of eligibility for the ISU Bocconi Scholarship and for what concerns forfeiture and suspension of services, please note that students in debt to Bocconi University for any reason will be suspended from academic and administrative activities and the payment of the scholarship will be also suspended until their financial position is regularized.
